

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

JEREMY WICKE, COLE KNUDSON,
and SHAWN SIMMONS,

Plaintiffs,

v.

L&C INSULATION, INC.,

Defendant.

ORDER

12-cv-638-wmc

In light of plaintiff's unopposed motion to adjourn the August 18, 2014, trial date (dkt. # 253) and motion regarding trial date (dkt. #251),

IT IS ORDERED that:

1) On or before August 22, 2014, the parties shall file:

(a) a list of portions of depositions, to be offered into evidence at trial, by page and line references for witnesses unavailable at trial. Extensive reading from depositions is strongly discouraged. Toward that end, the proponent of a deposition may -- though is not required to -- prepare a written narrative summary of some or all deposition transcripts the party intends to offer into evidence, with annotated page and line references in parenthesis after each sentence, in lieu of part or all of the narrative of questions and answers; and

(b) a short, written narrative statement of the background and experience of each expert, if any. These statements will be read to the jury and no proof will be received on the matters covered.

2) On or before August 29, 2014, parties shall file:

(a) Objections and counter designations to proffered deposition designations; and

(b) Objections to expert narrative.

3) The final pretrial conference will be held on Friday, September 12, 2014, at 1:00 p.m.; and

- 4) The trial will commence Monday, September 15, 2014 at 9:00 a.m., with the parties meeting with the court at 8:30 a.m. to discuss any remaining issues.
- 5) No further extensions will be granted.

Entered this 17th day of July, 2014.
